**IF YOUR REMINGTON PRODUCT HAS BEEN MODIFIED TO INCLUDE ANY OF THE BELOW NON-GENUINE AFTERMARKET ITEMS, STOP USING IT IMMEDIATELY. CAREFULLY READ ALL OF THE INFORMATION ON THIS PAGE:**

<b>Manufacturer</b>	<b>Part Name and/or Number</b>	<b>Hazard</b>
Armurier Lavaltrie	Remington 700ML 209 conversion kit	Use of this conversion kit with a Remington Model 700 muzzleloader (700ML) can damage the trigger assembly and potentially cause an accidental discharge that could result in bodily injury or death if the firearm is not pointed in a safe direction.

Remington, in its Ninth Commandment of the Firearms Safety (<https://www.remington.com/support/safety-center/ten-commandments-firearm-safety>), states:

“Don’t alter or modify your gun...you’ll jeopardize your safety and that of others around you by attempting to alter its trigger, safety, or other mechanisms.”

The inclusion, installation, or attachment of any Non-Genuine Aftermarket Item on your Remington firearm is an alteration or modification that could affect the safe operation of your firearm. Damage to your Remington product caused by Non-Genuine Aftermarket Items is not covered by your product limited warranty. See your Remington product limited warranty for details.
